VOLUNTEERS NEEDED!

Volunteer to assist eligible Legal Permanent Residents become U.S. citizens.

THE IMMIGRANT COMMUNITY NEEDS YOUR HELP!

Over the last several months, our nation's immigrants have mobilized in record numbers to make their voices heard in the public debate about the future of our immigration policy. Many of these immigrants are legal permanent residents (LPR's) who are eligible to become citizens of the United States, and they are eager to become full participants in our democratic process. Recently, these immigrants have been applying for Citizenship in record numbers. However, because the demand has exhausted services and resources, applicants eager to apply have been turned away.

You can help out the immigrant community reach their dreams of citizenship. We are calling on **Attorneys, Students, Community Groups and Organizations**, and all other civic spirited individuals with an interest in empowering the immigrant community.

NO EXPERIENCE NECESSARY! AFTER ATTENDING A 1.5 HOUR TRAINING, YOU WILL KNOW HOW TO COMPLETE A CITIZENSHIP APPLICATION.

Review the list of training sessions and please call Fabian Garcia at the number below to register as a volunteer and to attend a training session, or for more information.
